

Getting to Crawley Camera Club

Follow the A23 towards Crawley Town Centre. At the traffic light turn right. You will see the new K2 leisure centre in front of you. Before you drive in to the car park you will see on your right a small road leading into the woods, / crawley recreation centre. follow this road into the wood area and you will see some concrete block chicanes, manoeuvre through these (carefully!). Just after the last one there is a road on your right pass this until you come to the next one. Turn right and then follow the road to you left. Hut16 is at the top of the slight hill. The post code for K2 is RH11 9BQ, as the club has no post code.
